# The Water Hog & The Beast

The perfect way to set off any occasion, from garden parties to weddings. There is no mistaking the taste of a traditional hog roast with lashings of stuffing & apple sauce. The water wheel that drives the Water Hog's spit adds to the spectacle, "wowing" your friends and family.

Meet The Beast! Our new giant gas BBQ griddle. For those looking for BBQ catering for events or parties, The Beast is capable of catering for higher numbers than your common or garden BBQ.

Contact us to discuss your requirements, availability and prices
